MEMORANDUM FOR: Chief, Records Management Staff

SUBJECT: Field Records Disposition Guide

REFERENCE: Memorandum from this office to
Chief, Records Management Staff
dated 16 December 1959

✓ On the chance that you may not have had supplied you a copy of the attached draft, I send it along. Would you please call it to [] attention and ask him to return it to me after he has looked it over. I believe the chart demonstrates better than the material forwarded you under reference what we have in mind for Support records. Note that [] describes it as a draft but be advised that, representing the Committee, I have discussed it with him and have agreed that this seems to be a fine straightforward solution to our problem.
